

Date: October 2024

Year group: whole school

Focus: Anti-social behaviour

All tutor groups, across the school, were asked to vote on moving some of the school's CCTV cameras around the toilet areas. The matter was discussed in a designated tutor time and then each tutor group were given a vote for or against this matter.

- 36 tutor groups voted positively.
- 11 tutor groups voted against

As a result of the positive vote, the school is taking steps on putting CCTV cameras around the toilet areas to combat anti-social behaviour. Mr Darley is liaising with the IT team and we hope this will be in place in January 2025
