

### Careers Calendar: 2023 -2024

The Purbeck School Career Provision is reviewed on a yearly basis; student voice is collated on a termly basis to ensure that the career provision is meeting the needs of all students.

Date of review: 1<sup>st</sup> July 2024

Below is an overview of The Purbeck School's, Tutor Time, Career's Calendar for 2023-2024; it outlines the key Careers provision, delivered during **tutor time**, across years 7 – 11.

**Year 7 Career Discovery:** Students to explore the world of careers and understand the different skills and attributes that are linked to different job roles

**Year 8 Exploring Careers:** Students to explore their own interests and review how careers are linked to different subjects

**Year 9 GCSE Focus:** Students to explore their GCSE choices and explore how to maximise their potential

**Year 10 Planning your next steps:** Students to explore post 16 opportunities and develop their knowledge on the different pathways

**Year 11 Planning your next steps:** Students to explore post 16 opportunities and develop their knowledge on the different pathways
