Our school is committed to not only eliminating discrimination, but also increasing understanding and appreciation for diversity.

#### **Aims to eradicate discrimination**

We believe that a greater level of success from pupils and staff can be achieved by realising the uniqueness of individuals. Creating an inclusive environment where individuals feel confident and at ease is a commitment of the school. This environment will be achieved by:

- Being respectful.
- Always treating all members of the school community fairly.
- Developing an understanding of diversity and inclusion and the benefits it can have.
- Adopting an inclusive attitude and ensuring that the whole school community understands what inclusive behaviour looks like in the school and how this aligns with the school's values.
- Adopting an inclusive curriculum that is accessible to all.
- Encouraging compassion and open-mindedness.
- Challenging bias and calling it out in order to move the conversation forward.

We are committed to having a balanced, diverse and fair curriculum. We believe that our pupils should be exposed to ideas and concepts that may challenge their understanding, to help ensure that pupils learn to become more accepting and inclusive of others. Challenging and controversial concepts will be delivered in a way that prevents discrimination and promotes inclusive attitudes.

## **Dealing with prejudice and celebrating diversity**

We do not tolerate any form of prejudice-related incident. Whether direct or indirect, we treat discrimination against all members of our school with the utmost severity.
