

Student Council: Actions from 2022-2023

You Said...	We did...
A non-uniform day to support a kindness charity; it would be a good way to promote our new school ethos.	30 th November 2022, we held a non-uniform day for #Willdoes.
Can we change our 'above and beyond' cards to kindness cards?	We now have 'kindness' cards which are linked to our praise system. Students who fill up their kindness card are entered into a raffle to win an Amazon voucher.
Can we have a graffiti wall to promote our school ethos?	The Art Department drew up x2 designs, which were then voted on by the student council, and the final design is being created over in the Art Quad.
We would like to learn more about misogyny, toxic masculinity and gender inequality.	We have reviewed our tutor time programme and we now have a weekly slot which is dedicated to discussing topics such as these.
Can the café open, in the morning, so we can have breakfast?	Aspens now opens in the main canteen so students can buy something to eat if they wish.
Is it possible for the red box to be available in locations other than the Nest?	The 'red box' is now available from student services, the Nest and reception.
Years 7 & 8 would like some basket ball hoops in the front playground.	Basketball hoops have been fitted in the front playground.
We don't cover careers in tutor time very often.	The careers, tutor time provision, has been changed this year and each year group now follows a personalised curriculum.
We would like house competitions and to be able to win awards for our house.	We have spent a long time reviewing our house system and are looking forward to relaunching it in September 2023; there will be new competitions, weekly quizzes, house captains, inter-house events and much more.

Is it possible to do more for certain awareness days and key calendar events?	We are going to introduce half termly campaigns which are linked to Bold Voices and national awareness days; these will be run by the 6 th form student leadership team and will also include House events.
Can we have more outside speakers visit the school?	Throughout 2022-2023, we invited in outside speakers such as: Street Doctors, The Amy Winehouse Foundation, RNLI, Armed Response Team, MyTimeCarers, Oddballs
