

YEAR 10

Completing Work from Home: Student Guide

Art

Where can I find what work I should be completing?

- The work that you should be completing is in your Class TEAM in the FILES section.
- You will find a document in there labelled to your most recent task which will explain the work you need to complete.

How will I know what to do?

The document will...

1. Tell you which materials you will need.
2. Tell you which image resources to use to inspire you.
3. Tell you what size to complete the work.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- aclarke@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you believe your work is finished please review it to check whether you can improve any detail, tones, textures, marks or editing.
2. If you have completed your work on a computer, then please email your work to your teacher.
3. If you have completed your work on paper, then please email a photo of it to your teacher.

Business Studies

Where can I find what work I should be completing?

- The work that you should be completing can be found under the FILES section on TEAMS.
- Check the POSTS on TEAMS daily, to see if any additional research / home-learning has been set.

How will I know what to do?

Each PowerPoint will detail the key notes on each topic area being studied.

I advise you write up:

- Key term definitions
- Answer any questions on the slides
- Complete any slides titled TASK
- Complete the review questions and exam questions to check your knowledge and understanding

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- kmason@purbeck.dorset.sch.uk

What should I do when I have finished my work?

If you believe your work is finished, please review it and ensure you have sufficient detail. When answering an exam question – have you used the correct exam structure (P,D,D) etc.

Write your notes up so that you can bring back with you on your return to the classroom

You can always self-quiz using the knowledge organiser which can be found under files on teams.

Computing and ICT

Where can I find what work I should be completing?

- The work that you should be completing is in your Computing Class TEAM in the POST section. Click on the assignment.
- A new assignment will be posted each week for your lesson as per your timetable.

How will I know what to do?

- In Assignments, you will find instructions to follow and a lesson PowerPoint for you to watch.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- jlly@purbeck.dorset.sch.uk

What should I do when I have finished my work?

You should:

- Complete your work in your SLR workbook.
- Save it in your Computing folder in OneDrive.
- Upload/hand in the latest copy of your SLR workbook in Assignments, in order to get lesson by lesson feedback from your teacher.

Home Learning will be to watch videos and make notes as per the instructions in the lesson plan.

Drama

<p><u>Where can I find what work I should be completing?</u></p> <ul style="list-style-type: none">• Mrs Shannessy will post on Teams the work to be completed for the missed lesson/s. Any PowerPoints or resources needed will be attached to this post.	<p><u>How will I know what to do?</u></p> <ul style="list-style-type: none">• Clear instructions will be provided.
<p><u>What should I do if I need more help?</u></p> <p>If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.</p> <ul style="list-style-type: none">• cshannessy@purbeck.dorset.sch.uk	<p><u>What should I do when I have finished my work?</u></p> <ul style="list-style-type: none">• If you have completed your work on a computer, then please email your work to your teacher.• If you have completed your work on paper, then please email a photo of it to your teacher. <p>You should also be undertaking general revision tasks such as; using your GCSE Drama knowledge or watching some online theatre.</p>

English

Where can I find what work I should be completing?

- The work that you should be completing is in your English Class TEAM.
- Your teacher will post and upload the work and PowerPoints that they will be using in class.

How will I know what to do?

Read your teacher's post carefully.

1. You will be expected to take notes on key information indicated in the slides.
2. You will need to complete the tasks clearly outlined in the slides.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- tmcnaughton@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Don't forget that you can always use your knowledge organiser to self-quiz and you have homework to complete through SENECA.

French

Where can I find what work I should be completing?

The work that you should be completing is in your individual class Team.

Your teacher will post the work for each lesson in the general channel. It will also be in files in lesson order.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- lwest@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

How will I know what to do?

Open and work through the next relevant PowerPoint (lesson resource document) for every lesson missed.

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Don't forget that you can always use your knowledge organiser and Quizlet to self-quiz.

Food

Where can I find what work I should be completing?

- The work that you should be completing is in your DT Class TEAM in the FILES section.
- You will find a channel called Module. In the first half term, we are working on Module 1, second module during the second half term and so on.
- Use your half term plan to identify which lesson we should be on.
- Work through the tasks on the PowerPoint.

How will I know what to do?

Please use your half term plan and follow the instructions on the PowerPoint.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- vschubert@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Don't forget that you can always use your knowledge organiser to self-quiz.

Make and evaluate a dish that meets the requirements of the topic. E.g. High-risk foods (rice, meat, fish, dairy and eggs.)

Geography

Where can I find what work I should be completing?

- The work that you should be completing is in your individual **Geography Class TEAM** (e.g.: 2020-10R-Gg1)
- Work can be found in the **FILES** section.
- You will find a document in there called - 'Year 10 Geography Self-Isolation Home Learning' which will explain the work you need to complete.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- kyarnald@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

How will I know what to do?

In the document called 'Year 10 Geography Self-Isolation Home Learning' it will:

1. Teach you how to log onto Kerboodle.com so that you can access the textbook.
2. Tell you which section of that digital textbook you need to be completing at home.

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.
3. Use your knowledge organiser to self-quiz and revise case studies
4. Complete FORMS ASSIGNMENTS to complete for home work

Geology

Where can I find what work I should be completing?

- The work that you should be completing is in your individual **Geology Class TEAM** (e.g.: 2021-10R-Geo1)
- Work can be found in the **FILES** section.
- You will find each of the Geology topics in there, and within each one is the work you need to complete.

How will I know what to do?

- Your teacher will post in your class section of TEAMS, telling you which lesson to complete.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- dhobbs@purbeck.dorset.sch.uk

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

You should also be using your knowledge organiser to self-quiz on the Geology topic you are learning.

Health and Social Care

Where can I find what work I should be completing?

All of the PowerPoints, worksheets and assignment briefs are on files in teams and will be posted up prior to each of the lessons being taught.

This builds up the piece of coursework to achieve the pass, merit and distinction criteria. You will need to follow this as if you were in class and complete their coursework alongside it.

What should I do if I need more help?

If you cannot access their coursework from home as it is saved at school you can contact the support@purbeck.dorset.sch.uk and they can access the students account for them to email the coursework.

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- ltarbard@purbeck.dorset.sch.uk

How will I know what to do?

This depends on what lesson is set so you will either:

1. Follow the instructions within the PowerPoint using the worksheet within the folder.
2. Use the assignment brief to complete coursework tasks.

This solely depends on what part of the coursework you are currently on.

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher
2. If you have completed your work on paper, then please email a photo of it to your teacher.

History

Where can I find what work I should be completing?

- The work that you should be completing is in TEAMS
- Go to the S12 Team
- Find the 'History' channel
- Find the 'files' section

How will I know what to do?

There are a series of folders in the files section.

Look through the folders to see which work you have already completed.

Read through the next folder. Take notes on key facts and information

Answer all questions in full. Sometimes there will be a 'structure strip' document to help you with this.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- mrainsley@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Mathematics

Where can I find what work I should be completing?

- Login to www.hegartymaths.com

How will I know what to do?

- In Hegarty, click on Revise and select MemRi to complete one quiz.
- Select a lesson either by clicking on My Tasks or searching for a clip number in the search bar.
- Watch the video and note the key worked examples in your exercise book.
- Select Do Quiz, recording your workings and answers in your exercise book.
- Aim to achieve 80-100%. If you don't achieve this score, then watch the video again on the area that needs developing and repeat the task.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- cmorris@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

If you need help completing any Hegarty tasks, then click on **Get Help**. The website will load a similar example from the linked video.

What should I do when I have finished my work?

- In Teams, check your class team to ensure all work has been completed.
- In Hegarty, click on Revise and select MemRi to complete more quizzes.
- Email your maths teacher to ensure that you have completed all your work.

Media Studies

Where can I find what work I should be completing?

- The work that you should be completing is in your Media Studies Class TEAM in the 'Self Isolation Work' tab.
- You will find a PowerPoint with instructions and lesson PowerPoints.
- The PowerPoints will be numbered to show which order they should be taught in. Each new title slide signifies a new lesson in the set of PowerPoints. Find the lesson that is appropriate for you and then make notes and complete the tasks.

How will I know what to do?

- Read the Instruction PowerPoint (found in the 'Self Isolation Work' tab of Media Teams).

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- acattano@purbeck.dorset.sch.uk.

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

PE and Sport

Where can I find what work I should be completing?

Exam Work:

Your teacher will upload each of the PowerPoints for this and the relevant resources for this onto teams on the shared area.

Coursework:

Instructions on how to complete each task and section of the coursework will be uploaded onto team. This will include assignment briefs, exemplars and mini tasks.

How will I know what to do?

1. The PowerPoint will have the lesson number next to it along with the worksheet that will need to be completed.
2. There might also be separate instructions on teams or that have been emailed to you individually to assist you in completion of the task.
3. Coursework will have specific deadlines set for when the whole piece of work is due in.

What should I do if I need more help?

Attempt to complete the work set first to the best of your ability then ask for help from your teacher (attach the first attempt of work so the teacher can feed back to you).

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- wtarbard@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.
3. Please give your sport teacher time to feed back to you with potentially improvements to increase the quality of your work.

PRE

Where can I find what work I should be completing?

- The work that you should be completing is in TEAMS
- Go to your class team,
- Find the 'files' section work will be uploaded here

How will I know what to do?

There are a series of folders in the files section.

Look through the folders to see which work you have already completed.

Read through the next folder and work through the tasks set.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- ewetherall@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Product Design

Where can I find what work I should be completing?

- The work that you should be completing is in your DT Class TEAM in the FILES section.
- You will find a channel called module. In the first half term we are working on Module 1. Second module during the second half term and so on.
- Use your half term plan to identify which lesson we should be on/ work out through a process of elimination.
- Work through the tasks on the power point.

How will I know what to do?

Please use your half term plan and follow the instructions on the PowerPoint.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- sshepherd@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Don't forget that you can always use your knowledge organiser to self-quiz.

PSHE

Where can I find what work I should be completing?

- The work that you should be completing is in your PSHE channel of your TEAM in the FILES section.
- You will find each of the Science topics in there, and within each one is the work you need to complete.

How will I know what to do?

Your teacher will post in your class section of TEAMS, telling you which lesson to complete.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- ahumphies@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Please don't forget that you can always use your knowledge organiser, using *Look, Cover, Write, Check*, to self-quiz.

Science

Where can I find what work I should be completing?

- The work that you should be completing is in your Science channel of the S12 students TEAM in the FILES section.
- You will find each of the Science topics in there, and within each one is the work you need to complete.
- You will also find the GCSE Science online learning guide which will give more details on what to do.

How will I know what to do?

- You should know the lesson code that you last studied (on the tick sheet in your exercise book).
- If you do not know this, please email your teacher.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- jfoyle@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

You should also be using your knowledge organiser to self-quiz on the Science topic you are learning.

Spanish

Where can I find what work I should be completing?

The work that you should be completing is in your individual class Team.

Your teacher will post the work for each lesson in the general channel. It will also be in files in lesson order.

What should I do if I need more help?

If you are stuck for any reason, e.g. you can't log into TEAMS or you don't understand your work, then please email your teacher as soon as possible.

- lwest@purbeck.dorset.sch.uk
- www.purbeck.dorset.sch.uk/information/staff-list

How will I know what to do?

Open and work through the next relevant PowerPoint/document for every lesson missed.

What should I do when I have finished my work?

1. If you have completed your work on a computer, then please email your work to your teacher.
2. If you have completed your work on paper, then please email a photo of it to your teacher.

Don't forget that you can always use your knowledge organiser and Quizlet to self-quiz.
