

# 16 to 19 Tuition Fund

The purpose of this statement is to set out how The Purbeck School will use its 16 to 19 tuition fund allocation to support students who have been academically disadvantaged due to coronavirus (COVID-19).

## **How the School will use the 16 to 19 tuition fund**

The 16 to 19 tuition fund will be used to provide small group tuition for students aged 16 to 19 who have not yet achieved a grade 5 or above in English and/or maths. The provision will not be limited to tuition for English and maths, but will also be used to help students on A level and vocational courses where there has been significant disruption to their learning due to coronavirus and gaps have been identified. Students with Special Educational Needs and Disabilities (SEND) - including those aged 19 to 24 who require additional tuition to help them catch up with their studies - will also be supported by this provision.

Tuition groups will comprise of no more than five students and the tuition sessions will be scheduled in addition to the planned programme of study hours already timetabled for the academic year 2020/21. Tuition and additional support may be delivered using a blend of online and on-campus delivery.

Examples of some of the Tuition Support on offer will include:

- GCSE exam re-sit preparation
- Specific A level subject support e.g. essay writing structure in Psychology
- Vocational knowledge catch-up sessions including technical knowledge and skills support to aid mastery and make up for any shortfall from previous learning.
- Pathway support

Tuition Support offered will be based on an individual needs assessment, the identification of an individual starting point, clear learning goals, expectations and outcomes. The support will be offered either face to face or via online.
