

# Level 2 Diploma in Sport (Outdoors)

**1 year Education and Watersports  
Development Programme**

**Course  
starts  
September**

# Level 2 Diploma in Sport (Outdoors)

## The Details

This Level 2 Diploma course combines theory units, practical activities and employer valued professional National Governing Body (NGB) qualifications. This unique course has been designed to enable candidates to start their career in the outdoors and leisure industry.

### Course Units

As well as three mandatory units; Participating in Sport, Outdoor and Adventurous Activities and Leading an Outdoor Activity Session, there will be four further units to choose from.

### English and Maths

Where required, you will also study Maths and English GCSE or Functional Skills.

### Work Experience

To fully develop your work skills, a work experience placement will be part of the course giving students the opportunity to work alongside our Rockley instructors.

### Watersports Development Programme

To develop your practical skills, students will take part in a development programme to cover sailing, windsurfing, powerboat and paddle sports.

You will have the opportunity to complete RYA training and gain certificates.

### Entry Criteria

- Four GCSE's at grade 3 and above.
- An interest and/or experience of watersports and outdoor adventure
- 16 years of age by 31st August to start in September.

**By choosing Rockley as part of the next stage in your education, you are given access to the UK's leading coaches in the outdoor industry. It's a unique opportunity to develop practical and classroom skills.**
