

Following the Local Government reorganisation and subsequent formation of the new unitary authority, all former 'Dorset County Council' policies are currently in the process of being updated and adopted by the new Dorset Council authority.

As a Local Authority Maintained school, we will adopt the Dorset Council Attendance Policy once it has been finalised by the Local Authority in line with Dorset Council's advice to Maintained schools. All former Dorset County Council policies currently in place but up for review will continue to be adopted by the Governing Board until such time that the new policies become available in 2021.
