WINCHESTER

FIRST STAR FACILITATOR – MATHS TEACHER
(GCSE Maths Summer School Teacher)

The University of Winchester is launching the ***First Star Scholars Scheme***, a University-preparatory programme for young people in secondary school (age 14 onwards) who are Looked After Children. The scheme strives to support young people through their GCSE studies and on to post 16 studies in preparation for higher education, apprenticeships and employment. We seek to equip them with the skills to successfully transition to adulthood.

We are looking for a ***GCSE Maths Teacher for the delivery of the Maths curriculum*** on the first summer school residential, with the potential of extending the contract to monthly Saturday classes for the right candidate.

The post holder will need to have qualified teacher status, or nearing completion of teacher training provision, and be able to plan, develop and deliver interactive and engaging Maths sessions as part of a summer residential experience.

The rate of pay will be £11.96 - £13.45 per hour, excluding holiday pay, dependent on experience. It is anticipated 40-50 hours of work within the summer period to include planning and marking. The programme for the residential is still to be finalised but it is anticipated at approximately 4-6 hours' session delivery each week as part of the 3-week programme.

You will be required to undertake training prior to the start of the residential (listed below) and will need to have a completed and clear enhanced DBS disclosure prior to starting the post.

Summer School Dates

Training: Wednesday 21st July (2-4pm online), Wednesday 28th July (10am-5pm on campus TBC)

Week 1: Monday 2nd August – Friday 6th August*

Week 2: Monday 9th August – Friday 13th August*

Week 3: Monday 16th August – Saturday 21st August*

** The programme for the residential is still to be finalised but it is anticipated at approximately 4-6 hours' session delivery each week as part of the 3-week programme.*
